PRIVACY POLICY

We collect certain information through our website, located at www.OneChimp.com (our “Website”), including through the products and services provided at the Website. This page (this “Privacy Policy”) lays out our policies and procedures surrounding the collection and handling of any such information that identifies an individual user or that could be used to contact or locate him or her (“Personally Identifiable Information” or “PII”).

This Privacy Policy applies only to our Website and to the products and services provided through our Website. It does not apply to any third party site or service linked to our Website or recommended or referred by our Website, through our products or services, or by our staff. And it does not apply to any other website, product, or service operated by our company, or to any of our offline activities.

1. Collection of Personally Identifiable Information

We collect the following Personally Identifiable Information from users who buy our products or services: name, e-mail address, telephone number, address, and credit card number.

We also use “cookies” to collect certain information from all users, including Web visitors who don’t buy anything through our Website. A cookie is a string of data our system sends to your computer and then uses to identify your computer when you return to our Website. Cookies give us usage data, like how often you visit, where you go at the site, and what you do.

2. Our Use

We use your Personally Identifiable Information to create your account, to communicate with you about products and services you’ve purchased, to offer you additional products and services, and to bill you. We also use that information to the extent necessary to enforce our Website terms of service and to prevent imminent harm to persons or property.

Despite any provision in this Privacy Policy to the contrary, we may use your name and logo on our Website and on our email campaigns, flyers and other promotional items and media. If you do not wish to have your name and/or logo published in any of these manners for our marketing and promotional purposes, then provide notice to us via e-mail at the following address: support@OneChimp.com. After receipt of such notice from Customer, Provider will remove Customer’s name and logo from Provider’s promotional items and media within a commercially reasonable time period. This does not require Provider to cease such use on items or media that have already been substantially prepared or published on the date of Provider’s receipt of such notice.

We use cookies so that our Website can remember you and provide you with the information you're most likely to need. For instance, when you return to our Website, cookies identify you and prompt the site to provide your username (not your password), so you can sign in more quickly. Cookies also allow our Website to remind you of your past purchases and to suggest similar products and services. Finally, we use information gained through cookies to compile statistical information about use of our Website, such as the time users spend at the site and the pages they visit most often. Those statistics do not include PII.

3. Protection and Disclaimer

We may employ data security tools to protect Personally Identifiable Information. Unfortunately, even with these measures, we cannot guarantee the security of PII. By using our Website, you acknowledge and agree that we make no such guarantee, and that you use our Website at your own risk.

4. Third Party Access

We may give certain independent contractors access to Personally Identifiable Information to assist with providing the Service. We endeavor to have all those contractors sign contracts in which they promise to protect PII using procedures reasonably similar to ours. (Users are not third party beneficiaries of those contracts.) We also may disclose PII to attorneys, collection agencies, or law enforcement authorities to address potential AUP violations, other contract violations, or illegal behavior. And we disclose any information demanded in a court order or otherwise required by law or to prevent imminent harm to persons or property. Finally, we may share PII in connection with a corporate transaction, like a merger or sale of our company, or a sale of all or substantially all of our assets or of the product or service line you received from us, or a bankruptcy.

As noted above, we compile Website usage statistics from data collected through cookies. We may publish those statistics or share them with third parties, but they don't include PII.

Except as set forth in this Privacy Policy, we do not share PII with third parties.

5. Your Access

You can access and change any Personally Identifiable Information we store through your "Profile" page.

6. Amendments

We may change this Privacy Policy at any time by posting a new version on this page or on a successor page. The new version will become effective on the date it's posted, which will be listed at the top of the page as the new Effective Date.
